St. Albert Motor Inn Anxious To Break Sod

Now that Town Council has approved the application for a development permit by St. Albert Motor Inn (1972) Ltd., president of the firm, Sam Shapiro told The Gazette late last week he plans to break sod early in November, soon as confirmation has been received from the Alberta Liquor Control Board, licensing department.

Located South of Ball Avenue and fronting on St. Albert Trail, the proposed St. Albert Motor Inn as per present drawings will cost about $1.5 million and require at least 75 people, from managerial to service staff.

The proposed St. Albert Inn, according to building sketches, will sit South of the present Esso Service Station located at Ball and The Trail. The sprawling structure will house a hotel room tower rising five-storeys above ground where 30 modern rooms will be completed for the projected opening date of June 1973.

On the main floor plans call for a beverage room with a capacity for 125 patrons, a dining room for 75, restaurant coffee shop able to seat 60 people and the main beer parlour will accommodate 375 persons. Banquet facilities for 500 guests will also be part of the main floor complex.

In view of details yet to be ironed out, Mr. Shapiro said that present plans allow for 400 parking stalls. "But this parking area could be increased once the destiny of Lot 9, situated on Ball Avenue is defined," Mr. Shapiro said.

President of St. Albert Motor Inn (1972) Ltd. owns other lands lying adjacent to the site of his proposed hotel and intimated that once the hotel is operative, his firm has other plans for the remainder of his land assembly there in the Ball Estate. But he declined to reveal what those plans were although during a previous interview he talked casually of a theatre and smaller businesses.

When asked when he expected a reply from the Liquor Board regarding his application for a license, he said, "they told me, 'don't call us, we'll call you'."

He concluded by that answer that a reply would be forthcoming and he hopes its going to come before winter sets in for good.

St. Albert Hosts Home Parade 72

The Edmonton Housing Association has selected St. Albert as the setting for its Home Parade 72. The 13th annual display in ultra-modern living, started Monday September 25 and will continue until Monday, October 9. The show homes, incorportating the latest materials, designs and features are all located on Fawcett Crescent in the Forest Lawn Subdivision.

Home Parade 72 is featuring 14 show homes constructed by 11 of Edmonton's leading buildings. Homes open for public viewing daily including holidays from 2 to 10 p.m.

At Monday's kickoff breakfast, held in the Mayfair Golf and Country Club, in Edmonton, St. Albert's Mayor Ray Gibbon was present along with councillors Frank Lukay, Bob Hudson and Rene Kambouroff.

In his remarks, Mayor Gibbon acknowledged the fact that this was St. Albert's second year in a row to host the annual Show Home Parade and added, "now that we have over 450 newly-annexed acres in St. Albert, we hope we'll be favored with the Home Parade 73 . . . to thus make it three in a row."

This sorry looking swamp could be an off-street parking space for Perron Street customers, particularly those in the Szott Building on St. Michael Street corner. But even the town garbage truck couldn't get in, and had to bring their garbage disposal unit to the front of the lot. Mr. John Szott approached the town about the problem last fall and they dumped in two loads of gravel. John defies anyone to find any of it now. In the spring businesses along St. Michael flooded so the town scraped a ditch behind the Szott Building which alleviated the flooding but did nothing to improve this swamp, which is lower than the area ditched. Mr. Szott has offered to pave the area behind his building for tenant and customer parking, on the condition that the town put in a proper lane in where the town lane is supposed to be (roughly in a line back from wet patch in centre foreground). John reports the comment of a councillor that "we have so much new development in St. Albert, we haven't time to do this." They did however have time to draw up a parallel parking bylaw for Perron Street.

Junior Hockey Club To Hold First Workout

Bill Parker, executive director of the newly formed Edmonton Metro Junior Hockey League has confirmed at a meeting held last night that the North Side Comets have been accepted by the league. He added that this gives us the sixth confirmed team which will balance out a 30 game schedule.

Formal application is being made by the Edmonton Metro Junior Hockey League to the Alberta Hockey Association for affiliation as a Junior B classification for this season and that future consideration be given to the league for a Junior A classification for the 1973-74 season.

Ron Yanosik, president of St. Albert's entry, was contacted after the meeting and welcomed the new entry. Ron feels that Len 'Comet' Haley who will be coaching the Comets will add a lot of color to the league. Haley is an ex-Edmonton Flyer.

Mr. Yanosik is concerned however, with the short allotment of ice to the Comets and the South Side Athletic team by the Edmonton Minor Hockey Committee and feels they are unjustifiably treated.

Their allotment for 15 home games is a meagre 30 hours which allows only two hours per hockey game. This is not enough time to play hockey under regular rules and regulations.

Mr. Parker was assured that steps were being taken by the league to appeal to the city attempting to obtain additional ice time for each team.

Mr. Yanosik is very thankful for the co-operation received from the St. Albert Town Council for his application for ice time.

Coach Rick Le Lacheur is very happy with the players names submitted to date and again welcomes future enquiries to be left at the St. Albert Sportshop or by calling Ron or Rick. Le Lacheur announced that arrangements have been made for the first practice to be held at the U of A Arena from 9 - 10:30 p.m. Thursday, September 28. Players are asked to report to dressing room #394 with their own equipment including sticks and sweaters.

L.A.B. Approves BACM Annexation

With the annexation of BACM lands adjacent to Lacombe Park, St. Albert has now increased its total area by 476 acres, this will make room for future developments accommodating about 10,000 residents.

Ruling on this annexation was received last week from the Local Authorities Board after the question to annex or not to annex had been pondered for over six months and went through a thorough public hearing in March of this year.

Application to annex the BACM property was initiated by the Town of St. Albert back in December, 1971. Subsequently, concerned citizens called The St. Albert Community Planning Committee questioned the wisdom of annexation.

Principles in the Planning Committee, with a membership of about 30 concerned citizens, advised the Local Authorities Board of their concern. This submission was signed by president Barry Breadner, A. A. Loman, secretary-treasurer, Richard Plain, economist and Richard Thorburn, architect.

In view of the sound questions brought forth by the Planning Committee group, the Local Authorities Board decided to air the whole question at a public meeting.

At the all-day hearing held here in St. Albert March 30, the Town's views and the Planning Committee's views were expounded in great detail. This exercise proved very fruitful, in that it alerted all parties concerned with the technical and moral as well as financial responsibilities involved in such a massive annexation scheme

As of August 1, 1972, the 476 acres of BACM lands adjoining St. Albert to the north-west has become part of the Town of St. Albert and severed from the Municipal District of Sturgeon.

WCP Names Pembina Candidate

A fifth candidate joined the Federal race in the Pembina Constituency last Thursday, Sept. 21 when Sam Davidson of 13305 - 85 St., Edmonton, was nominated to carry the banner for the Western Canada Party.

Mr. Davidson, a pipefitter by trade, is one of six Western Canada Party candidates nominated to this date. Other candidates previously nominated are presently running in the Burnaby-Seymour Constituency in British Columbia, Winnipeg North Constituency, Saskatoon-Humboldt Constituency of Saskatchewan, and one each in Calgary North and Calgary Centre.

Western Canada Party officials said they plan to have between 10 and 12 candidates running in this federal election.

Mr. Davidson, contesting the Pembina seat is married and has a family of seven children.

Marcel Lambert in St. Albert on Sunday

Marcel Lambert, PC Encumbent in Edmonton West Riding will be making his first public appearance in St. Albert in his campaign on Sunday, October 1.

The public is invited to attend a Coffee Party in the St. Albert Community Hall, where newcomers to the riding can meet Mr. Lambert in an informal atmosphere and old friends can renew acquaintances.

MARCEL LAMBERT

Mr. Lambert was first elected in the riding in 1957 and has been re-elected in the four succeeding elections. He has served as Speaker of the House of Commons and as Vice-Chairman of the Proceedural Committee. He continues as proceedural expert in the House. He was Minister of Veterans Affairs, Defence Critic, and for the past five years, Finance Critic for the official opposition, in addition to a number of other posts.

Marcel has been a frequent visitor to St. Albert Junior High and High Schools as part of his most extensive program of speaking to Social Studies classes in his riding, on topics dealing with how our governments works. In talking to students a major objective of Mr. Lambert is to establish a dialogue in an informal atmosphere, with ample opportunity for the students to speak their minds and ask questions.

Directory Notice

The Gazette has begun work on the St. Albert Directory for 1973. Every business and organization appearing last year will be contacted. New businesses and new organizations in St. Albert since last January should telephone if they wish to be included. Those who will be starting in 1973 can also be listed. If your club, society, association, church or school was not listed in the 1972 Directory, please telephone Ethel Ward at 599-7001 or 599-6591.

Council Roundup

A delegation from the Preventive Social Services Board met with Council to discuss financial arrangements relating to the operation of PSS agencies. Spokesman, R. Bailey, Chairman of the Board indicted to Council that the PSS would prefer operating their own accounting system but required an advance of funds with which to cover month-by-month expenses.

After considerable discussion, including the interpretation of the PSS Bylaw by Chief Administrator, Dan O'Connell, Council agreed unanimously that the issue be referred to the Administrative Committee for the purpose of making recommendations to Council.

Two representatives from the Alberta Housing Corporation explained to Council at a recent meeting, policies regulating this agency. Spokesman, Mr. M. Thomas, accompanied by Mr. J. Martin explained that this was a scheme designed to provide low-cost housing for low-income citizens, especially in areas where an urban renewal project could be put into effect.

After hearing Mr. Thomas' presentation, Council briefly discussed the matter in relation to local need. It was unanimously agreed that a local survey would have to be made before steps are taken. Comments made by councillors after the hearing, indicated that there was no crying local need for such a project. At least not immediately.

A new schedule of meeting expense rates for councillors were ratified as submitted. Approved rates will now be $24 for a half-day meeting held in St. Albert while the full-day rate is $30. Evening meetings $24. Meetings, conventions etc. in Edmonton, councillor wages have been approved at $24 per half day, $40 for a full day and $24 for an evening meeting. Out of town or out of Edmonton meetings, etc., rates to councillors have been approved at $30 half day, $75 full day and $30 for evenings. The rate per mile of travel has now been set at 15 cents up from 13 cents per mile.

More information will be forthcoming on Council's plans in regard to municipal buildings. Council has been feeling the squeeze in most departments, including the Fire Hall, Town Hall and Public Works Buildings. An overall study is being made, which includes proposed RCMP quarters. A bylaw has been prepared and soon as approval of the money bylaw is obtained, a complete report will be brought back to Committee with details for a possible winter works program.

To err is human; to really foul things up requires a computer.

Lady Lions to hear two artistic women

The October 2nd meeting of the St. Albert Lady Lions promises to be a most interesting evening, with two guest speakers, both very creative and artistic ladies. The dinner meeting is at the Purple Dude at 6:45 p.m.

Mrs. Freda Wellar, who has an impressive record of community involvement will be the first speaker. This amazingly productive lady can claim 55 years of dedicated service to the Womens Institute. Through those years she has held many offices, including those of president, secretary and treasurer, and was honored by the St. Albert branch in 1971, with the presentation of a 50-year pin. Mrs. Wellar is also currently the popular president of St. Albert Senior Citizens Club. She enjoys, along with her daughter Marguerite, a special talent for producing objects of beauty from everyday items found around the home. This gifted lady will give demonstrations illustrating her talk.

Mrs. Barbara Bastido of St. Albert, a Director of Fiesta Fashions for Edmonton area, will speak on the products her company imports from Guatemala. She will display lovely hand woven articles by the Mayan Indians, both clothing and novelty items, along with an informative talk on the customs and background of the Mayan people.

A large turnout of Lady Lions is expected for this meeting. Prospective members and Lions wives wishing to attend as guests will be most welcome, and may telephone Judy Simpson at 599-5335, who will order dinners.

Next executive meeting of the Lady Lions will be at the home of Cindy Ryley on October 23rd.

AROUND TOWN

Robert Mann leaves this week for Calgary where he is enrolled in the Hotel Management course at SAIT.

Gazette Back Home

The Gazette will be back into its regular quarters at 31B Perron Street effective Saturday, September 30.

We had to vacate our old premises on Perron while tradesmen were renovating our premises. During this time we occupied quarters in the Carmar Building on Muir Drive and attempted to overcome the natural inconveniences which come with operating a business from temporary quarters. We had to continue publishing The Gazette with a minimum of conveniences, equipment and facilities. However, we have weathered this difficult period and we're indeed pleased to be 'back home'.

We wish to thank all our customers who so willingly co-operated with us during our period of transition.

PUBLIC NOTICE

(SECTION 311 OF THE MUNICIPAL GOVERNMENT ACT)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money By-Law No. 34/72 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of Machinery and Equipment as follows:

Industrial Tractor and Loader and Blower	$ 7,000.00
4 only 1/2 or 3/4 ton trucks	$14,000.00
1 only three ton truck	$10,000.00
Rescue Vehicle	$ 4,500.00

The estimated total cost of the aforesaid machines amounts to $35,500.00. After deducting from this cost the amount of nil, to be received by way of grants/contributions/revenue funds/donations, etc., the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is $35,500.00. The debentures are to be repayable to the bearer in five (5) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than nine and one-half per centum (9 1/2%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

(i) a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and

(ii) a person who is liable on or after January 1st, 1972 for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money By-law under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition -
 (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 (b) the postal address of the petitioner,
 (c) the occupation of the petitioner.
4. A corporation or a religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization or an estate.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. If two or more money by-laws are advertised in a single notice, a separate petition shall be filed with respect to each by-law.
9. The date of the last publication of this Notice is September 27, 1972.

More drivers needed for Senior Citizens

In response to last week's appeal for help in the way of transportation for Senior Citizens, six volunteers have come forward, which may be sufficient at present to take care of those older people wishing rides to the Community Hall for club get-togethers every other Thursday. Mrs. Wellar, president of the Senior Citizens Club will inform the meeting this Thursday that such rides are available. Interestingly enough, those volunteers who have come forward are mostly people who are already busy and involved.

However a much larger number of drivers is needed to develop a sort of volunteer bank of available men and women on call as needed This would take care of older people wishing rides to visit friends in Sturgeon General Hospital, or to a doctors office and similar services.

The co-ordinators feel that undoubtedly there are other St. Albert residents who have just not got around to calling as yet. They emphasize that such volunteers will not be asked to do more than they can cope with easily.

The volunteers who have already offered their help are appreciated, and will be contacted very soon.

Others who would like to assist our senior citizens in this way should telephone Joyce Meurin at 453-2042 or Cindy Ryley at 599-8373.

Grants feted prior to leaving

Gordon and Lorraine Grant were entertained on three occasions prior to their departure on Thursday for Toronto. On Sept. 15 a small group of close friends from sport circles gathered at the home of Larry and Lorraine Mitchell on Salina Drive. Gord has been active in minor hockey and baseball here.

The following night a Canadian Press office party was held at the home of Jim and Dianne Poling when about 20 couples were on hand prior to the Grants arrival, and took them completely by surprise. (They thought they were going for fondue with the Polings). A highlight of the evening was the play back of a teleprinter tape which the staff made up - with many anecdotes about Gord included. Speakers included Mr. Trotter, CP Bureau Chief and Mr. Poling, who presented Gord with a gift of golf clubs from the staff. Mrs. Poling had a lovely corsage for Lorraine.

On Sept. 19 co-workers of Lorraine in the workshop for the Sturgeon General Hospital gift shop surprised her by turning the regular workshop over to a surprise party in her honor, at the home of Alice Schiebelhofer. Lorraine has been a member of the Hospital Auxiliary for three years and a workshop worker since it was formed. "She was presented with a souvenir spoon and warm good wishes for her future happiness by all present.

Mr. Grant will take over as first General Sports Editor for Canadian Press, in a newly created post out of the Toronto office.

Girls Elect Curling Club For 1972 - 73

Again this year local teenage school girls in St. Albert will enjoy an active season of curling, thanks to the local Ladies Curling Club.

Mrs. Sally Oakes, as curling club co-ordinator called the local teen girls together at a meeting Friday and supervised the election of the new St. Albert High School Girls' Curling executive. Elected were: Denise Lantinga, vice-president; Jill Schinkinger, president; Vickie Bryant, secretary-treasurer; Debbie Scharf, social convener and Karen Hoosier, ways and means.

Assisting Mrs. Oakes in getting the teen-age girls organized for a new season were: Nonie Taylor, Shirley Fisher, Blanche Glaister, Nonie Hoosier and Kay Carmichael, the latter is president of the Ladies Curling Club.

EDITOR'S NOTE: We attended the Girl's Curling Club meeting and proceeded to go through the formalities of taking news photographs. We had the executive line up, smile and go through the whole bit . . . all in vain. Our film is showing glaring blank spaces where the pictures should be while ye-olde-ed's face is crimson with embarrassement. But, we're not going to give up on photography, we'll try again next week.

AROUND Town

The St. Albert High School annual Awards ceremony will be held in the school auditorium on Thursday, October 5 at 7:30 p.m. All students and parents are welcome to attend this ceremony.

** ** **

At the President's Reception and Ball held Friday at 700 Wing, Ernie Jamison was the fortunate winner of a handsome Remington electric/battery shaver, as holder of ticket number 2. Other St. Albert people noticed meeting new President Jack Frost and his wife Jean, and enjoying the gala evening were Alf and Audrey Kenny and Bill and Sally Oakes.

** ** **

A young Ross Goose, while on its flight south last Thursday decided to pay a visit to Albert Lacombe School and rest a while. Warren Johnson, a 12 year old Grade 6 student saw the goose land in the school yard and promptly brought it into the common room of the school. Upon close investigation Mr. Goose was found to be fit for travel and released on its way.

The Editor:

Thousands of thanks for your kind hospitality you have shown during our visit to your hospital. It was an honor to be picked up at the first page of "Gazette" with pictures. It will remain forever in our lives as a good memory.

I explained the everything to my colleagues that I have seen and heard at your hospital. They have had much interest about your patients, hospital organization, doctors and nurses. Specially two girls who serve voluntarily at your hospital seemed like Angels who disguised in sweet admirable girls. We wish and want to get such angels in every hospital in Japan, because we haven't any of such girls.

We visited Banff, Jasper, Yoho National Parks with our daughters and family members. They are too nice and beautiful to describe on paper. Our proverb says "one visit is far more than hundreds of hearing." This proverb proved to be true.

We then returned to Hiroshima safely on 30th of August.

We are proud of having our daughter and her family as a citizen of St. Albert, Canada.

Please send our best regards to all who were concerned with our visit.

We remain,

Dr. Kuichiro Ogawa,
Mrs. Fuji Ogawa.

Lions Band Calls For Instruments

The Lions Community Band has received quite an impetus by enrolling some 50 new members, several with considerable experience, with ages ranging from 10 years to 50.

As the majority of new members are beginners of junior high school age with no instruments, the Band Committee faces a major problem in acquiring enough instruments to meet the present need.

New Dodge Electronic Ignition System. It makes your life a little simpler.

The first question you're going to ask is, what is it?

The second. How is it going to simplify my life?

O.K., to answer the first part. In any conventional ignition system the mechanical breaker points may be the cause of some problems. Knowing this, Chrysler engineers developed a solid-state electronic system (all 6 & 8 cyl. engines) that eliminates the need for breaker points and condenser, and their resulting maintenance headaches.

That essentially, is what the new system is.

Now for what it can do for your car and your wallet.

For starters your car is going to start better at mileage levels when mechanical systems normally start to deteriorate.

DODGE BUILDS IN THE SOLID DIFFERENCE

And because engine misfiring at highway speeds is virtually eliminated exhaust emissions are greatly reduced.

What will it mean to your pocketbook? Because there are no points to wear out, no condenser to replace, the cost of tune-ups drops considerably.

The new electronic ignition system is just one of the many standard features built into Dodge.

New front disc brakes, (except Dart with 6 cylinder engines), unibody construction, torsion-bar suspension (except Colt) and new emission control systems are among the impressive list.

Innovative engineering plus extra care in every detail, make us believe your new Dodge is the best Dodge we've ever built.

Carmar Holdings Reviews Past 4 Years

Carmar Holdings Ltd. announced last week commencement of its fifth major local development project since its incorporation in 1968. With the unveiling of development plans for a medical clinic, service station, A & W franchise site and apartment block, Carmar Holdings Ltd. is indeed leading the way towards showing what impact local money can do for a community when managed by locally-inspired businessmen.

Initiated by the two founders of the now prestigeous firm, Carmar started in October of 1968 with Maurice Belley as president and Bernard Montpetit, secretary-treasurer and managing director. Mr. Belley, a mechanical contractor and old associate of Mr. Montpetit, a realtor, both conceived the firm known today as Carmar Holdings Ltd. With some of the groundwork already done, they invited three shareholders to join the firm, each a specialist in his field.

First shareholder to join was George H. Hartmetz, a construction consultant who became the third shareholder and director of Carmar in January 1969. Next came Rod Belley, a plumbing contractor who became a shareholder - director in August of 1969. Only a month later, George Brosseau, barrister, solicitor became the fifth shareholder-director.

"This board of specialists in their respective fields," said Mr. Montpetit, "gave Carmar a highly-qualified local team to effectively help develop St. Albert . . . the way it should be." Mr. Montpetit admits it has not been all that easy but pioneering in any line of business never is.

First project undertaken by Carmar was the construction of a 24-suite apartment block in the Spring of 1969, on 11 Marian Crescent. Next, were two 18-suite apartment blocks in the Spring of 1971 also on Marian Crescent. Third project was the 8,000 square foot Carmar Bldg. on Muir Drive which was completed in 1971. Fourth project is the medical clinic, scheduled to break sod in a matter of weeks and fifth project will be the development of the remainder of the former C. Beckett property located on Sir Winston Churchill and Grandin Road.

Mr. Montpetit is quite confident the remainder of the Carmar Property development, including proposals for a service station, A & W site and apartment block will commence soon as an overall plan is approved. "But a lot of factors have to be considered," Mr. Montpetit said, "such as the time it takes for the plans to be approved in relation to weather conditions and the such."

Mr. Montpetit was most emphatic when he told The Gazette that local citizens need not worry about the trees along St. Thomas Street and Lions Park. "We're just as interested in keeping those trees there as anybody else and we have designed our development in such a way where those trees will be forever preserved."

Students at Sir Alexander Mackenzie School have elected Jill Plasteras president of the Students Union for the 1972-73 year. Also elected on the executive are: vice president Kristine Iddings, secretary Suzanne Pearson, treasurer Melissa Argy, social convener Barb Galbraith, boys sports rep, Lloyd Olson, girls sports rep Barb Edwards.

The school's cheerleaders made $22 selling hot dogs at the Sock Hop held last week, which they will use to support their many projects.

Did you hear about a doctor who lost all his money on the horses and in desperation he attempted to rob a bank. But nobody could read his holdup note.

Bob Green heads Badminton Club

Bob Green was elected president of the St. Albert Badminton Club at their annual general meeting Sept. 21st at the Clubhouse. Other officers elected to the executive were Judy Wood, president-elect, who will go to president next year, Beryl Harding, serving her second term as secretary, Doreen Dolman, treasurer; and Sandy Warren and Norm Carruthers, tournament captains.

Play begins Monday, October 2 at the St. Albert High gym at 7:30 p.m. and the club would welcome new members who would like to come out that evening, either adults or high school students. Instruction will be available again this year for people interested in taking up badminton and inexperienced players. Other games next week are scheduled for Vital Grandin school gym on Wednesday at 8 p.m. and at St. Albert High again Thursday at 7:30.

Prospective members are invited to telephone Mr. Green at 599-7105 or Beryl Harding at 599-7313.

The St. Albert Dancing School now has Gary Wescott as one of its students. Gary, popular local singer who has been making quite an impact on audiences wherever he performs. To round out his stage technique, Gary thought dancing lessons wouldn't hurt and he was proven right. Mrs. Gladys Smith, one of the two owners of the school says Gary is doing well and is proving to be one of our most popular students. Following instructions from Mrs. Smith, Gary is flanked by Susan Kisil and Janie Banks while at rear, a bevy of students look on.

ST. ALBERT RECREATION

ARTS AND CRAFTS:

There are a very few openings in the classes sponsored by the St. Albert Arts and Crafts Guild which are due to start next week. If you are interested in the Creative Needlework class (Wednesday evenings) or the Macrame class (Monday evenings) please phone Mrs Lois Folkins at 599-7344.

Since the fall program was announced by the Guild, a Craft Medley class has been added. This is an eight week course which will introduce the participants to eight different crafts and will be instructed by Mrs. Linda MacPhee. It will be held at 61 Mission Avenue from 1:30 - 3 p.m. on Thursdays, starting on Oct. 5. The cost is $10. To register and to obtain further information phone Mrs. Folkins.

SQUARE DANCING:

The St. Albert Saints and Sinners, our local dance group, will be holding their first dance of the season on Saturday, October 7 in Sir Alexander Mackenzie School They will also be sponsoring a class for beginners (and for those whose dancing needs a 'brush-up') which will be held on Saturdays at 7:30 p.m. in the Clubhouse (beside the swimming pool) starting on Saturday, October 14.

For information about either the Saints and Sinners' dances or classes, phone Mrs. Terrault at 599-6896 or Mrs. Jenkins at 599-8831.

SWEDISH GYM:

Sponsored by the YMCA Swedish gym classes will be held for both girls and ladies in Leo Nickerson School on Wednesdays, starting on October 4.

Classes for the 6 - 8 year olds will be held from 6:30 - 7:15 p.m. and for girls over 8 years of age from 7:15 - 8 p.m. The class for ladies will be held from 8 - 9 p.m.

Mrs. Helga Kirschkowsky who will again be the instructor, needs no introduction to former Swedish gymnasts. Her qualifications are impeccable; she has taken courses at Banff, Victoria and the University of Alberta Both old and new gymnasts will be welcome at her classes on Wednesday.

FIGURE SKATING:

Registrations for the power-skating, learn to skate and figure skating classes, sponsored by the St. Albert Figure Skating Club, will be taken on Saturday, Sept. 30 from 10 a.m. - 12 noon in the Clubhouse.

There will be a session of lessons before Christmas in learn to skate and power skating. However, for the first time, it will be possible to register for figure skating and dance lessons for the entire season, that is, for the sessions both before and after Christmas. The cost of classes will be similar to those of last year. Phone the Department of Recreation for further information.

Mitchell named most valuable Calahoo Chief

Second baseman Larry Mitchell is the first recipient of the Phil Turner Memorial Trophy awarded to the Most Valuable Player on the Calahoo Chiefs Fastball Club.

The award, voted by the players, was presented by Calahoo Coach Peter Turner, son of the donor, at the Chief's annual fastball wind-up dinner and dance held Saturday evening in the Elks Hall at Stony Plain.

The late Mr. Turner passed away a short while ago. He was well known in the Riviere Qui Barre and Calahoo areas where he was an excellent baseball and hockey player. He also found time to coach younger players.

In accepting the trophy, Larry thanked Peter Turner and players who selected him for the award. Larry assured the club he would be back next year to try and win again.

Help Is On The Way

A Review of THE PETER PRESCRIPTION
By Don Mills

Three years ago peoples' lives were changed forever with the discovery and publication of The Peter Principle. This book by Dr. Laurence J. Peter uncovered the principle behind the Twentieth Century phenomenon of incompetence and led to the formulation of Dr. Peter's principle of incompetence. With the discovery of this basic human truth, work became directionless and life meaningless since success meant spending your days doing what you were incompetent at. According to the Peter Principle, we were all doomed by the modern hierarchical machine -- beaurocracy. In truth Dr. Peter didn't play fair for now, three years and many traumas later for most of us, help is on the way.

Dr. Peter has written a sequel to The Peter Principle which offers alternatives to modern incompetence. The Peter Prescription contains "sixty-six formulas for improving the quality of your life." It was written in answer to the thousands of requests the author had on how best to beat the Peter Principle. Concerned readers of his first book wanted to know how to avoid the dreaded Final Placement Syndrome personally and how to get and keep employees at their appropriate competence level.

In this new book, Dr. Peter prescribes a remedy. The purpose of the Peter Prescription, as Dr. Peter says in the introduction, is happiness in all aspects of life. The means is through self-actualization. Most simple, actualization. Most simply, the Peter Prescription is: Forward to a Better Life. Escape from the hierarchical web of modern existence can only come with lateral success. The new book is concerned with a horizontal concept of success whereas The Peter Principle concerned itself with the horrors of our vertical concept of success -- rising to the top et al.

With the same inimitable style that made The Peter Principle such a sensation, Dr. Peter approaches the problem more optimistically. The incompetence hierarchy of the first book has now become the incompetence treadmill. Even the first chapter in which the two directions of success are reconciled has the inviting title of UP, UP and OOPS!

Nevertheless, since Dr. Peter is an acknowledged expert on why things always go wrong, perhaps his common sense formulas for making things go right should be headed. Written with the same wit and wisdom that made The Peter Principle seem so long overdue for discovery, The Peter Prescription is here with fast, fast, fast relief.

Both The Peter Principle and The Peter Prescription are available from the St. Albert Public Library.

What is a Town?

A Town is a group of people

It is a school
It is a Town government
It is churches
It is industry and jobs
It is retail businesses

They all have to work together. All must have the support of the people. Or there is no Town.

Give your local merchant a chance for your business. You shouldn't spend your hard earned money with him unless his selection is adequate and his price competitive. But give him the first opportunity to make the sale.

For the local retailer pays the highest percentage of local taxes. He most often is the civic leader who dedicates his time and talents to his Town. He is the one contacted first for contributions to charitable projects. He provides jobs. Without his store you have no Town.

Give the local merchant a fair shake.

Linda Fehr married in home ceremony

In a mid-afternoon ceremony September 16, Linda Fehr, daughter of Mrs. Dorothy Fehr of St. Albert was united in marriage to William Mills, son of Mr. and Mrs. George Mills of Edmonton. The ceremony was conducted by the Reverend Leonard Musto at the home of the bride's mother. Wedding music was by Mrs. Flo Miller.

The bride, escorted by her future husband, wore a floor-length pant dress of white peau de soie, with an overskirt of white lace. She carried a single long stemmed rose. Her shoulder length veil was held in place by a rhinestone tiara.

Bridal attendants were Dianne Howard (nee Edwards) and the bride's two sisters, Sharon and Carol. They wore identical floor length pant dresses, also of peau de soie. Dianne's was in peacock blue and Sharon and Carol in hot pink. Each carried white Bibles with lily of the valley.

Attending the groom were Don Dowhaniuk, Dave Howard and Bob Graham.

To receive her guests Mrs. Fehr wore a gold floor length skirt with a black and silver sweater, complemented by a rose and lily of the valley corsage.

Following the ceremony a reception and wedding supper were held, also at the bride's home.

The happy couple are making their home in Edmonton.

Legion Auxiliary has good turnout

After their summer break the Ladies Auxiliary to the Royal Canadian Legion 271 met on Tuesday evening (Sept. 19) for a delicious smorgasbord dinner followed by a general meeting. There was a good attendance and the general opinion was to make the first fall meeting each year a "dinner" meeting.

The Legion Auxiliary will hold Bingo at the Legion Hall on the first and third Monday of every month, beginning October 2.

Plans were also made to hold a tea and bake sale on October 7 in the Legion Hall from 2 - 5 p.m.

There will be a door prize and also lucky ticket draw for the $100 money doll. Doug Taylor, branch president will be on hand to make the draw.

Hutton - Williams Wedding

St. Albert United Church was the setting of an attractive summer wedding when Donna Williams, daughter of Mr. and Mrs. Jack Williams of St. Albert, became the bride of Terry Hutton, son of Mr. and Mrs. Jim Hutton of Edmonton.

The Reverend Leonard J. Musto performed the ceremony before an altar adorned with a beautiful basket of gladioli. Wedding music was played by Mrs. Lillian Upright, and soloist was Diane Corway, who sang "The Wedding Song" (There is Love). Mrs. Upright played "Joyful, Joyful" during the signing of the register.

The bride, given in marriage by her father and mother, was radiant in a floor length gown of white polyester crepe. Styled with a high waist line that accented a dainty shirred bodice, the gown featured a jewelled neckline and long puffed sleeves, designed with soft ruffles at the wrists. Her cathedral veil of silk tulle, bordered with re-embroidered elenceon lace, fell from a circlet of pink feathered carnations, and she carried a colonial bouquet of matching carnations and baby's breath.

Miss Marilyn Downes, maid of honor, and Mrs. Sharon Daniels, matron of honor, wore blue and white floral gowns with matching picture hats. They carried colonial bouquets of white shasta daisies, with mauve and blue streamers.

Dave Hutton, brother of the groom, and Dave Hayhurst were best men, while Glenn Williams, brother of the bride, and Rick Baer, cousin of the groom served as ushers.

Following the ceremony an informal reception was enjoyed by 75 guests. The bride's mother received in an orange, white and pink floral chiffon pant suit, while the mother of the groom chose an off-white crepe dress. Both of their ensembles were complimented with corsages of deep pink carnations.

Mr. Gil Poirier of Lethbridge, uncle of the groom, acted as master of ceremonies, and also provided the entertainment. The toast to the bride was given most ably by Mr. Wilf Bowe, a long time friend of the family, to which the groom graciously replied.

Special guests included the bride's grandparents, Mr. and Mrs. John Kraychy of Redwater and the groom's grandfather, Mr. A. P. Linders of Lethbridge. Telegrams were received from Regina, Victoria and Ironsprings, Alberta, and guests were from Vancouver, Lethbridge, Calgary, Grande Prairie and Edmonton.

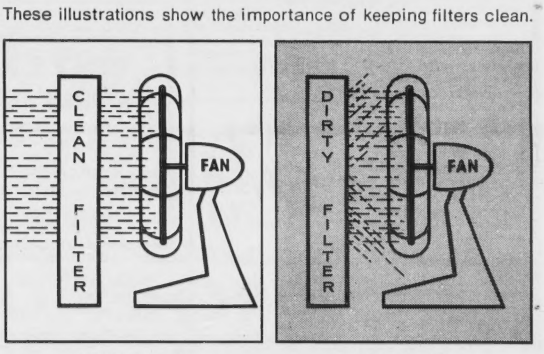

For a wedding trip to the mountains the bride donned a white hot pant outfit. Mr. and Mrs. Hton are making their home in Edmonton.

DIRTY FURNACE FILTERS WILL ROB YOUR HOME OF HEAT THIS WINTER!

These illustrations show the importance of keeping filters clean.

CLEAN FILTER

Clean furnace filters function correctly, allow the free passage of clean, warm air to heat your home. Your furnace works efficiently, you get the most from the natural gas you are burning.

DIRTY FILTER

Clogged furnace filters reduce the flow of warm air. The result: Loss of heat and possible overheating of the furnace, which could cause serious damage, and entail expensive repairs.

HERE IS YOUR SEVEN-POINT HEATING SYSTEM CHECK LIST

1. **MOST FILTERS** are of the disposable type. Remove them and you'll find that you can clean them by a good shaking; or use your vacuum cleaner. If they obviously need replacing you can obtain proper-sized filters at hardware or department stores or from your local heating contractor. Permanent-type filters (Metallic Filters) should be cleaned and re-oiled as required.
2. **AT LEAST TWICE A YEAR** your furnace filters should be checked and cleaned. This can be a "do-it-yourself" project for the average homeowner. If you prefer, call your heating contractor, plumber or furnace serviceman and arrange for a complete heating system check-over.
3. **FURNACE MOTOR AND FAN** bearings should be lubricated to the manufacturer's instructions.
4. **FURNACE VENTS** should be free of any blockage and checked for state of repair.
5. **REGISTERS** should be cleaned of dust and foreign objects.
6. **LOOSE-FITTING DOORS** and windows result in an overall loss of heat. Application of weather stripping will prevent this. But don't turn your house into a "sealed box". Some fresh air inlets are important to health and safety.
7. **FURNITURE** should be placed so that hot or cold air registers are not obstructed.

Pastor Giffin now full time in St. Albert

The First Baptist Chapel announces their commencement of 11 a.m. services this coming Sunday, October 1st. Meeting in the Music Room of the Leo Nickerson Elementary School, 10 Sycamore Avenue, the adult worship and bible study will be led by Pastor H. S. Giffin.

The Sunday School hour for children's groups, including pre-schoolers, will also begin at 11 a.m. Previously the Sunday School had convened at 3 in the afternoon, but was dismissed following the Vacation Bible School in latter July.

The Dovercourt Baptist Church in Edmonton is sponsoring the First Baptist Chapel. Mr. Giffin has been serving both the Dovercourt and St. Albert churches since October of 1971, but effective this Sunday he has resigned pastoral responsibilities at Dovercourt in order to give full devotion to the St. Albert parish.

Pastor Giffin received his B.A. degree from Howard Payne College, with other studies at Texas Christian University and the University of Miami. His Bachelor of Divinity degree was earned at Southwestern Baptist Theological Seminary in Fort Worth, Texas, in 1954. The Giffins moved to Edmonton in early 1967 to accept the Dovercourt pastorate.

Expecting to locate suitable living quarters in St. Albert shortly, the Giffins will temporarily remain in the Dovercourt manse at - 12331 - 135 Street, Edmonton. For further information on the services or transportation, you may call 455-0246 or 429-2641 (ext. 237).

You and church.

Every time you see someone as perfect as God made him, every time you dissolve a friend's fear with love, you are a living example of church.

Church means reaching out with compassion to all mankind. It is working to see God's goodness realized in everyone's life—proving His power to heal any problem. It is something you can practice every day.

We invite you to learn more about what church is, and to hear a simple Christian service. Won't you come?

34 Teachers Participate In Art Class

During a three-day Art Workshop, held last Tuesday, Wednesday and Thursday at Sir George Simpson School, 34 teachers from 13 different school districts participated in what was termed as "a rich experience in art."

All participating art teachers enjoyed their three day workshop and agree that this type of "Learning by Doing" sessions, under guidance of an expert consultant, opened new horizons for them.

Initiated by the Department of Education's fine arts consultant, Alvin Kunst, the workshop was completely stocked with art materials by Canada Crayon Co. Ltd., and instructions were given by Mrs. Alva McGarah of Richland Washington who is one of the several full-time art consultants with Canada Crayon. Present on behalf of the supply firm was Jim Turnbull, sales representative whose office is in Vancouver.

"This learn by doing series of workshops," Mr Kunst said, "is a very essential part of our program and we are most anxious to hold more of these." He expressed his appreciation for the co-operation received in St. Albert and especially from Mr. Bob Prather, principal of the school. Mr. Kunst explained that St. Albert was the ideal rural site to hold the workshop for rural school systems.

Of the 34 teachers attending the Learn-By-Doing Art Workshop, eight were from St. Albert schools while the others came from the following school districts: Sturgeon, Yellowhead, Minburn, Strathcona, Two Hills, Salisbury, Fort Saskatchewan, Jasper and Legal.

A brief visit to the workshop immediately showed that the three-day workshop had been a fruitful experience. Walls, floors and tables were covered with hundreds of paintings, toys, displays, jewellery, models and just about anything and everything one can think of.

The next workshop for rural art teachers will be held in Wetaskiwin next week.

Staff of the St. Albert Dairy Queen on the occasion of the restaurants First Anniversary: front row from left: Kathy Deguire, Wendy Geres, Donna Martin, Debbie Warmington, Joyce McCann, Shirley Ohotinsky, Maureen Nugent and Lettie Richmond. Back row: Bret McCann, Shelley Jones, Deb Rutledge, Darlene Muscroft, Kathy Warshawski, David McCann, Lisa Stefiuk, Cecily Downing, Max McCann and Ida Ethier. Missing from the photo are Doreen Reinbolt and Janice Underschultz, who along with Brent McCann, (no relation to the owners), Lisa Stefiuk and Shirley Ohotinsky are the five staffers who have been with the Dairy Queen since it opened Sept. 22 last year. At that time the staff totalled 14 and it is now 21, all local people.

Dairy Queen Marks First Anniversary

"We are 'exceptionally happy' with our first year's operation," says Max McCann of the St. Albert Dairy Queen, "it exceeded our expectations when we opened here September 22nd last year."

It was the first venture into the restaurant business for Mr. McCann and his wife Joyce, who has been in charge of the Dairy Queen products bar from the beginning.

To mark their 1st Anniversary the Dairy Queen staff had their photo taken Saturday morning. It was also decided to repeat the Grand Opening Special of last year, and serve a Brazier Deluxe with French Fires and Shake for 79¢ on Friday and Saturday of this week.

Prizes were selected to let the customers share in the anniversary celebrations, and winners will receive them Saturday night (Sept. 30). MLA Ernie Jamison will be on hand at 8 p.m. to draw coupons for a Corning Ware gift for Mom, 50 gallons of gas for Dad and a 10 speed bike for a boy or girl.

Going into the second year, Max is planning to expand the Dairy Queen menu. In addition to the steak sandwich recently introduced, a Bowl of Chili, two sizes of weiners and a Super Brazier Burger will be added to the menu.

The McCanns, who live in the Braeside district, had a pretty busy year. Hours at the restaurant are 9:30 - 11 Monday - Thursday; 9:30 - 12 p.m. Friday and Saturday and 11 - 11 Sundays. They are also raising three sons, one of whom, David, works at the Dairy Queen weekends. Even with a staff increase of one-third more than opening date, Max and Joyce had little time to spare for community activity, although they sponsored a girls softball team last summer and will sponsor a boys hockey team this winter. However, Mr. McCann says he is definitely going to join the St. Albert and District Chamber of Commerce this year. "The future of our business and business development in St. Albert as a whole is looking good," said Max.

Council Approves Arena Ice Rates

At the regular meeting of council held September 18 the following schedule of arena rental rates was ratified for the 1972-73 season:

Adult hockey, local teams including juniors and over, $15 per hour when no admission is being charged. The price for non local teams is $20 per hour. When admissions are charged during regular season play, 40 per cent of the gate or $40 per game (whichever is greater) will be charged. Charges for ice playoff games are subject for negotiations.

Casual rentals for such events as skating parties etc., go at $15 per hour for locals and $20 for non locals.

Public skating rates were approved and increased as follows: Up to 12 years, 25 cents; 13 to 18 years old, 35 cents; over 18 years old 60 cents. The latter rate was formerly 50 cents.

A further Committee recommendation, which was ratified was in regard to the allotment of ice-time to junior hockey teams. This issue is to be negotiated with the arena manager.

More than thirty new improvements.

This year the '73 Plymouths are even more beautiful. But many of your important engineering improvements don't show. They help make the '73 Plymouths safer, quieter, smoother-riding and longer lasting than ever before.

Plymouth Fury

The '73 Plymouths

Plymouth Satellite

For peace and quiet, we've packed sound absorbing materials into crucial areas in the car's body. And on our Satellite line, we've isolated the suspension systems with rubber, to give them the same Chrysler Quiet ride our big cars have. For fewer tune-ups and less maintenance, Electronic Ignition is now standard equipment on all North American built engines. Front disc brakes are standard on most '73 Plymouths, too. For cleaner air, we've engineered in a number of new emission control devices. And for protection, we've given Plymouth high impact bumpers, front and rear. These are just a few of the many engineering improvements made to the '73 Plymouth models. Your Plymouth dealer will be happy to explain all thirty.

Extra care in engineering... it makes the difference.

Liberal Candidate in Edmonton West

M. G. (Mel) Hurtig, Liberal candidate contesting the Edmonton-West Constituency was born and raised in Edmonton. In 1956 he opened a small bookstore which grew into one of the largest retail book operations in Canada.

The Hurtig publishing division, which opened in 1967, has published over 50 Canadian books.

Mr. Hurtig is a former president of the Edmonton Art Gallery and past Chairman of the Board of the Canadian Booksellers Association. He has been a member of the Liberal Party of Canada's National Policy Committee and chairman of the party's Task Force on International Affairs, and a member of the Senate of the University of Alberta.

In 1971 he advised the Canada Council on the establishment of its new Canadian Horizons Program and Pollution Probe in the preparation of recommendations for a new national energy policy for Canada. In 1972 he contributed to the youth-on-welfare study of the Canadian Council on Social Development.

During the past year Mr. Hurtig has spoken in nine provinces on the future of an independent Canada and the reform of the political system in this country. He is one of the 13 founding members of the Committee for an Independent Canada and last December was elected as national co-chairman of that organization.

M. G. HURTIG - Liberal

S.C. Candidate In Edmonton West

A nomination convention held on Wednesday, August 23, at the Saxony Motor Inn, saw Dr. Don McLeod take the Social Credit nomination by acclamation.

Dr. McLeod was born in Acme, Alberta. He attended elementary and high school in Calgary.

The outbreak of hostilities in 1939 found him in the Canadian Army Medical Corp. He served overseas, first with the 8th Field Ambulance, then with the 15th Canadian General Hospital in England, Africa and Italy. On his return to Canada he went on staff at the Colonel Belcher Hospital while he waited for his discharge and acceptance of his application to the Department of Veterans' Affairs to attend Palmer College of Chiropractic. He has practiced in the West Edmonton and Jasper Place area since graduation in 1947.

DON McLEOD-Social Credit

Dr. McLeod has been involved in the Alberta Chiropractic Association as an active member and vice-president and in many community endeavours such as the Optimist Club. He has held various official positions on the Jasper Place Chamber of Commerce including the office of President. He also served on the Council of the Edmonton Chamber of Commerce. As publisher and editor of the Jasper Place newspaper, The Suburban Times, he played a key role in his community. Presently Dr. McLeod is president of the West Edmonton Riding for the Social Credit Party of Canada and is a declared candidate for the Federal Election.

In briefly dealing with the platform of the Federal Social Credit Party, Mr. McLeod stated that the problems in Canada were primarily economic and the old line parties have not done anything constructive to solve these problems.

PC Candidate In Edmonton West

Marcel Lambert, Progressive Conservative candidate for the Constituency of Edmonton West, (incumbent) was born and raised in Edmonton. He graduated from St. Joseph's High, received a Bachelor of Commerce degree from the University of Alberta, attended the University of Oxford where he received a B.A. (Juris) B.C.L., M.A. In 1947 Mr. Lambert was made a Rhodes Scholar, Alberta and Hertford.

Mr. Lambert's business and professional career started with the law firm of Emery, Jamieson, Agrios of Edmonton. During the Second World War he served with the King's Own Calgary Regiment, participated in the infamous Dieppe Raid of 1942 and spent the remainder of the war years in a prisoner-of-war camp.

His political career started in 1952 when he ran in the provincial election of that year. He was first elected to the House of Commons in the general election of June 10, 1957 and has been re-elected since to represent the Edmonton West Constituency.

During his 15 years in the House of Commons, Mr. Lambert has served as Parliamentary Assistant to the Minister of National Defence Parliamentary Secretary to the Minister of National Revenue in 1959 and reappointed in 1960 and 1961. His next post was as Speaker of the House of Commons in 1962, then he was sworn a member of the Privy Council and appointed Minister of Veterans Affairs in 1963. At the time of dissolution of Parliament, Mr. Lambert had served as Opposition Defence Critic and Opposition Finance Critic.

Mr. Lambert is married and has three children.

AROUND TOWN

Ulrich Simonsmeier, supervisor of the Junior Forest Wardens in St. Albert reports that registration for the new term will be held Thursday at 7 p.m. in the gym at Robert Rundle School The group last year had some 30 young men between the ages of 11 and 17. Ulrich reminds the fellows with uniforms to wear them to the meeting.

Unifarm Leader Seeks Aid For Farmers

In a letter to Agriculture Minister, Hon. H. (Bud) Olson, Unifarm has asked for cash advances for prairie farmers who are experiencing extreme difficulty in getting in crops due to the unseasonal weather.

"The weather has affected easily 80 per cent of the farmers in Western Canada," said Unifarm president, W. Dobson Lea, "and I think it would be safe to say that at least half the farmers on the prairies haven't begun to take off their crops. Meanwhile, there are bills to pay, and some farmers are having to buy feed even though they've got it right out in the fields."

In his letter to the federal minister, Mr. Lea stressed that should the weather improve in the immediate future, such an advance would not in all likelihood, be necessary. "However" he said, "another week of this, and many farmers will be in an extremely difficult situation We aren't asking for full payment - just a limited cash advance to tide the farmer over until he can get his crops in."

There is a precedent for this cash advance, according to Mr. Lea. The federal government has made advances to farmers in previous years when the weather has slowed down or halted the annual harvest.

Tenors Needed

A good response to a plea for more male members occurred Thursday evening, when several new men joined the St. Albert Singers. However, more are still needed, especially tenors. The community choir meets Thursday evenings at 8:45 p.m. in the lower hall of St. Albert United Church.

District couple wed in Calahoo

By Liz McLeod

A large group of well wishers were on hand to witness the lovely wedding on Sept. 16 in St Catherine's R.C. Church, Calahoo, when Mr. and Mrs. Francis Kramps daughter, Annette, pledged her vows to George Primeau, son of the late Mr. and Mrs. Joseph Primeau of St. Albert.

Beautiful bouquets of flowers decorated the church and alter with red white and gold markers enhancing the pews.

The bride was radiant in her floor length empire waisted, full skirted gown, with long puffed sleeves gathered by a long cuff, high ruffle collar, pleated ruffle around bottom of skirt and narrow lace trim around neckline and on sleeves.

Her floor length veil was trimmed with same lace as dress and was held in place by a dainty headpiece and she carried a cascade of red roses. Given in marriage by her parents she came down the aisle on the arm of her father to music played by Mrs. Sharon Nault, with two sisters, Elaine and Charlotte Kramps joining in singing the first hymn and soloist, Mrs. Angie Moellmann singing Ave Maria.

The Rev. Jacques Joly performed this pleasingly different ceremony.

Annette's maid of honor, Barbara Hittinger, wore a full length, hot pink gown with pink flowers in her hair, and bridesmaids, Denise Paquette and Louise Belanger wore identical full length gowns in light pink, with pink flowers in their hair.

The best men were Simon LaFrance of 28 Sturgeon Road, St. Albert; Brian Brennels of Morinville and Lawrence St. Louis of Picardville.

Receiving the wedding guests in the Stony Plain BOPE Hall were the bride's parents. The groom was represented by his sister and her husband, Mr. and Mrs. Alfred Victoor from Picardville.

The bride's mothers ensemble was a white lace long sleeved dress with deep purple vest complimented with white and silver accessories and a pink and silver corsage.

The groom's sisters full length purple gown was enhanced with a pink and silver corsage.

Seated at the head table, centered by a beautiful three tier wedding cake flanked by candles, were the wedding party and the bride's grandmother, Mrs. Mary Kramps and Father J. Joly.

Good music kept toes a tapping till lunch time and a wonderful evening came to a close after this happy couple came back for all to see them in their travelling costume. The bride chose a brown and white dress with vest and beige accessories with yellow roses en corsage.

George and Annette are making their home in Calahoo.

Out of town guests were a great aunt of the bride's, Mrs. Alois Hassler and her son Edward from Oregon, U.S.A.

The groom's uncle, Mr. Edmond Primeau from Port Alberni, B.C., Cousins of the groom, Mr. and Mrs. Ambrose Chorney from Ucluelet, B.C., and many relatives of the bride's from Daysland, Alberta.

Bon Accord Council Meets

At their meeting September 18th the Bon Accord Village Council welcomed two new residents, Ken Fearnley and Nigel Mansfield, who attended as observers.

Marlo Homes had forwarded to the village details of 10 lots in the Northeast subdivision which are now available for private development. Further information may be obtained at the village office.

An enquiry was made about proposed development of the property owned by Mr. Hugh Allen.

Landscaping work is now being carried out around the Water Storage Reservoir and will be completed this fall.

The contract was let to install six fire hydrants in the main part of the village. Residents are advised that the water will be turned off spasmodically when these hydrants are being installed We apologize for any inconvenience this may cause.

Legal Credit Union Passes Million Mark

By Lucienne Montpetit

The long awaited day finally arrived on Sept. 16, 1972, when the Legal Savings and Credit Union surpassed the one million dollar mark in assets.

The board of directors and the committee feel this is quite an achievemnt, and they are very grateful to the membership as a whole for their continued support and use of their own financial institution. Their "thanks" are extended to all members of the Credit Union for making it possible for them to reach the goal.

At the close of the day Saturday, Sept. 16, the assets totalled $1,005,767.26 this is an increase of $287,187.16 over a one year period.

With this achievement came some tense moments for the members who had made some predictions as to when the Credit Union would surpass the million dollar mark. As the 540 guesses were sorted out the draws were made to reveal that Mr. Clarence Zilinski was the winner of the first prize of $75; second prize went to Mrs. Elzear Derrien $50; third prize was Mrs. D. A. Campbell $25.

It was a long wait for those watching for the window light to go on but it proved to be fruitful for Mrs. Maurice Montpetit who was the first one to notice the light and phone in, to win $50 prize.

The Board extends their congratulations to the lucky winners and hope that they along with the other members will keep on using their Credit Union for all their financial needs. It may have taken 29 years to reach that first million but if the support that has been given in the past years is continued that second million is not too far away - like the postage stamps said, "You win by sticking" and by sticking together as a team you have proven that the efforts were put into this organization were not in vain.

Dennis McConnell, manager of the St. Albert Canadian Imperial Bank of Commerce received the touring unusual money display last Thursday which depicts strange mediums of exchange used in the course of history in various parts of the world. For example the display shows Dog's Teeth Money used in some of the Pacific Islands. There's a Money Tree from Japan, as well as Knife Money from China, used during the 7th Century B.C. Roman coins are also included in the display, dating from 400 B.C. to 196 A.D. Mr. McConnell says the display will leave St. Albert October 5 and therefore urges residents to see this unusual money display before that date.

Pioneer of Waugh Area
Wm. Woywitka dies at 62

William Woywitka, lately of Edmonton and a former long-time resident of the Waugh - Fedorah district, passed away after a short illness, on September 81972 at 62 years of age.

Bill, as he was known by all his friends, was born in Edmonton on March 1, 1910. He was three weeks old when his parents decided to move to a homestead at Waugh. Here, Bill grew up and attended the little country school.

Because of his father's prolonged illness in 1919, Bill learned to accept responsibilities at an early age. He was the oldest of seven children. By the time he was 14 years old, he was considered trusty and able, to make a trip to the Public Market in Edmonton with a load of hay to sell. It took a full day of travelling by team and sleigh to get to Edmonton, another day to sell the hay and make the necessary purchases, and a day to make the return trip. It spoke well for the young lad who would return home, having successfully accomplished his mission.

Bill was a community-minded individual. He learned to play the violin and was a member of a dance orchestra playing at local dances and weddings. He took part in amateur theatrics, sang in the choral group and played the mandolin in the mandolin orchestra at Waugh Hall.

In 1932, he married Anne Andruski of Opal, built a home and settled on his own piece of land. They weathered the years of depression and drought after which, Bill expanded his farm operations, buying land, leasing pastures and raising cattle. During this time, they had three children born to them, Allan, Sylvia and Joan.

Bill was a member of the F.U.A., a life-long member of the Wheat Pool, a trustee of the local school board, and a member of the Waugh Co-op. He was also a director, later president of the Co-op board of directors.

Following a serious illness in 1964, he decided to give up farming in favour of his son Allan. Later, the same year, he purchased a home in Edmonton where he lived with his wife. In May of 1965, he started working as caretaker of the Edmonton Co-op Shopping Centre continuing at it until the time of his death.

Bill will be remembered by his many friends as a good neighbor and a loyal friend.

Rural Recreation

By Flo McGinnis

The Morinville Recreation Board had a regular meeting Thursday, Sept. 21 with many important items on the agenda. For the first time two Teen Reps from the Georges P. Vanier High School were in attendance at a board meeting, having been invited to sit in on a regular basis. The board is striving for better communication with the young people and closer contact with activities. Working in conjunction with a Special Projects class at the high school which has indicated an interest in recreational leadership, the Recreation Board feels that there will be endless benefits to the community as a whole. Look for some very interesting and varied programs this year!

A thorough discussion was entered into regarding the progress of the Regional Recreation Steering Committee and a special meeting of the Local Board has been called for Sept. 28 at 7 p.m. for further discussion. The board is looking forward to the day when there will be a Regional Board and is working hard to that end.

On October 14 the Recreation Centre in Morinville will be the scene of a very interesting display and "The Tea." Between 2 and 5 p.m. there will be tea, coffee and sweets for everyone while they enjoy the display of crafts done during the Travelling Arts and Crafts Workshop this summer. There will be a show of slides on the various craft programs available this winter. So don't miss "The Tea" sponsored by Sturgeon Recreation in co-operation with Morinville Senior Citizens Rendez Vous Club.

The response to the Morinville Ceramic Club call for membership and the offering of another beginners course has been extremely good. Hope you got your name in if you are at all interested because the chance was too good to miss. The Ceramic Club has met with enthusiastic response ever since it was first organized, and are looking forward to bigger and better things all the time.

With the heavy snowfall the Recreation Board had a hard time concentrating on other than skiing, snowshoeing, survival courses and skidooing, but DID manage to go over such things as keep fit classes, arts and crafts, senior volleyball and basketball, dance, Xmas decorating ideas and much, much more.

Have YOU thought about what YOU would prefer if YOU could take part? Think about it now -- one never knows!

Vatican artists make mosaic copies of many of the world's greatest religious paintings, National Geographic says. Beginning in the 16th century, the mosaics were used to replace fragile canvases damaged by years of candle soot and dampness. Today, the Vatican studio ships mosaic reproductions to many parts of the world.

NAMAO NEWS

By Norma Crozier

Namao Happiette Club will host a shower for bride-elect Karen Gibson, on Wednesday, October 4 at 8:30 p.m. in the Community Hall. Karen will be married to Leo Tachuk on October 20.

The October meeting of Namao UCW will be held on Thursday, October 12 at the home of Mrs. Shirley Ward at 1:30 p.m.

The Namao Explorers held their first expedition on Wednesday, Sept. 6 with mothers present to enjoy a social afternoon. There are a total of 23 Explorers - 10 first year girls; 8 second year girls and 5 third year girls. Counsellors this year are Mrs. Norma Paul, Mrs. Edith Powell, Mrs. Zinnia Fewchuk, Mrs. Jean Vaculchuk, and Mrs. Janet Reed. The new Explorers are taking the exploration "Becoming an Explorer." The second and third year Explorers have been reviewing what it means to be an Explorer and have been sharing the responsibility for planning games, setting up and cleaning up the grooming centre, and preparing a short worship period. On Sept. 20 they held an election of Explorer officers, Chief Explorer is Myrna Vaculchuk; Keeper of the Log is Donna McLay; and Keeper of the Treasure is Corinne Stanton. We all look forward to another year of "Exploring God's World of Wonders."

BON ACCORD ACTIVITIES

By Sadie Allen

A brownie and guide registration meeting was held in the Bon Accord Community Centre on Monday the 18th with a good representation of mothers present. Regular meetings of both clubs will be held in the Community Centre on Mondays after school and will start on October 2. The local association executive is made up of: president Mrs. Doreen Brennan; vice president, Mrs. Carol Komick; secretary Mrs. Carol Rivet; treasurer, Mrs. Eileen Malanchen; badge secretary Mrs. Elsie Belziuk, parents' committees are:- telephone, Mrs. Bjerke and Mrs. Robertson; social convener, Mrs. Robertson and Mrs. Doreen Hewitt; publicity, Mrs. Roy Malanchen Mrs. Chester McBride and Mrs. Mel Kushak; uniforms Mrs. Millwood; paper drive Mrs. Kushak. District Commissioner, Mrs. Pearl Madden. Guiders are Mrs. Russ Lampkin and Mrs. Tom Lewis; brownie leaders, Mrs. Dick Bland, Mrs. Walter Abramski, Mrs. Boris Luchka and Mrs. Larry Keown.

The RCAF Cadet program this year should prove interesting. At present the squad are studying making and reading ground maps and hope to make practical use of this study later on in a hike from Camp Wright at Athabasca. This year they hope to offer a course in self defence, instructor Mike Larner and a number of hobbies, one of which will be model aircraft. There is also a good possibility that swimming lessons can be arranged this year with the addition to the Instructors staff of Lieut. Tom Carleton.

The Local Association of Brownies and Guides are having a Year-Round Paper Drive, starting NOW. Please save newspapers, flyers, books (hard or soft cover), bags, (not waxed or tarred), flattened boxes (not waxed or tarred). Please bundle your papers according to classification. Bundles may be left at Mrs. Doreen Brennan's, Mrs. Eileen Malanchen's, Mrs. John Zendran's or Mrs. Mel Kushak's. Papers will be picked upweekly. If you are unable to deliver your papers to any of the above depots, you may telephone Mrs. Kushak, convener of the paper drive committee, at 998-2170 for pick up on a Monday. These are worthy organizations. Please co-operate.

Playschool for four and five year olds will start on Monday, October 2 in the Bon Accord Community Centre from 9:45 to 11:45. Please bring your child at 9:30 and pick up at 12 noon sharp. On the first day each child is required to bring $1.25 for supplies, two story books, a plastic-lined bag for plasticine, a paint shirt and any old magazines or catalogues. Only children registered may attend. Due to the Thanksgiving holiday on October 9 playschool will be held on Tuesday, October 10 at 1:30 p.m.

Skate exchange is in operation at the home of S. Allen. Proceeds are for cubs. Ladies skates are in demand.

Congratulations to Mrs. Amber Hewitt on the occasion of her 80th birthday, Sept. 23. Mrs. Hewitt was guest of honor at a tea held at the home of Mr. and Mrs. Marshall Hewitt on Saturday afternoon, Sept. 24, when friends gathered to wish her well. Present for the occasion were Mr. and Mrs. Charlie Benson (nee Marion Hewitt) and Mrs. Anna Hazen of Rosalind, Alberta.

The Homemaker Agriculture Week What is it?

By Pat Prymak,

In just over one week Thanksgiving Day will be here. As you admire the crisp golden turkey with dressing, gravy and vegetables, do you ever think of where it all came from? If you live on a farm, you no doubt already know that it all comes off the farm. Right from the turkey, vegetables and butter to the flour that goes into making the gravy and hot rolls, they are all agricultural products.

Thanksgiving Day this year marks another important day. It is the last day of Agriculture Week. What is Agriculture Week you may ask? Agriculture Week has been proclaimed by the Minister of Agriculture to be from October 3 - 9. Its purpose is to make people more aware of the contribution that the agriculture industry in Alberta makes towards the social and economic life of the province. So on that day you can thank the many farm producers, the food processors, the wholesalers, the transporters, and the retailers for making that food available to you, the consumer.

ALBERTA AGRICULTURE PRODUCTS - As consumers you should be aware of the wide variety of fine quality foods grown here in Alberta We should be watching for and checking out products to find which ones are Alberta's products. Throughout Alberta you will find these products being provided: fresh vegetable crops i.e., corn, potatoes, carrots, rapeseed oil, a vegetable oil which comes under the names of West, Capri, Burns Gattuso and Stafford; sugar, honey, flour, cheese and other dairy products, poultry, beef, and pork. It is economically important to know what products are ours

The total agricultural industry in the province contributes upwards of 50 per cent of the gross provincial products of Alberta, comments Dr. Horner. Through special events and projects during Agriculture Week, we want to get the public and industry involved with the rural communities in planning more development in our agriculture industry.

During Agriculture Week, one day, Friday, October 6, is specifically designated as "Farm Family Day." It is in honor of the many farm families which work so hard in providing Alberta, Canada and the world with agriculture products. It is also the day that we appreciate their presence and contribution to our society as very important and valuable.

So remember that October 3 - 9 is Agriculture Week and if our Department can be of any service to you or if you have any suggestion as to how to focus attention on our agriculture industry contact us, we'd like to help.

Ohlman - Albrecht

By Liz McLeod

Three flower arrangements decorated the alter of the Seventh Day Adventist Church in Edmonton on August 29 when Vic and Betty Albrecht's daughter Elaine, exchanged vows with Mr. and Mrs. John Ohlman's son Harold (Hal) all of Onoway.

Given in marriage by her parents, the bride was escorted down the aisle by her father to wedding music played by Miss Carol Ohlman, soloist being Margaret Mullen. Rev. W. Meuller performed the ceremony.

The bride styled and made her floor length gown of peau de sois, with empire waistline, A-line skirt with lace overlay and lace edging down centre front and down centre of train, which fell to the floor from the shoulder. The bodice was finished with a small mandarin collar and puffed sleeves gathered into a wide cuff with lace edging. She carried a bouquet of red sweetheart roses surrounded by miniature carnations

The bride's attendants, matron of honor, Peggy McIver and bridesmaid Hilda Wilderman wore identical floor length, pink floral gowns with matching white sandals and large pink floppy hats. They carried bouquets of white daisies and miniature carnations.

Best men were Norm McIver of Ponoka and Leonard Banack of Edmonton and the ushers for this lovely wedding were Ken Odenbach and Harry Whitehead. Receiving were the bride and groom and both parents.

The bride's mother chose and made her eggshell suit of fortrel crepe with apricot lace coat, and her accessories were silver with a corsage of yellow sweetheart roses.

The groom's mother looked lovely in her violet, fortrel satin dress, with lace inset in front and sleeves, accented with white accessories and yellow sweetheart roses en corsage.

The head table was decorated in pink and white with flowers and candles and a three-tier wedding cake, and on the wall behind bells and streamers made a lovely setting for a happy reception in Onoway Community Centre.

After the wedding supper catered by Calahoo WI, the bride's brother-in-law, Eddy McCann as master of ceremonies, did an expert job, conducting a program which included, songs, hymns, telegrams and dialogue and plenty of humor in which friends and relatives participated.

Later, while lunch was being served, the happy couple whisked away to change into their going away outfits which also were styled and made by this talented registered nurse. They featured sand colored skirt and vest for Elaine, and slacks and vest for Hal. They wore identical brown and white swirled designed shirts, with matching brown shoes.

For their honeymoon Hal and Elaine went to the Okanogan and west coast, coming home via the Yellowhead route. They spent some time visiting parents and friends in the district before journeying on to Ottawa, where Hal is employed. They are getting a new mobile home and will eventually reside in Rupert, Quebec.

Many out of town relatives and friends attended including Vic's brother Mr. Louis Albrecht from Blackfalds, Alberta.

GIBBONS NOTES

By Gladys Morin

Square dancing is starting again on October 5 at Lamoureux Hall. They would like each experienced dance couples to bring another new couple out or more. So for a winter of fun you are invited to join. For further information get in touch with Mrs. Bill Gibbons at 799-5501 (Gibbons) or Mr. Ross Richardson 543-4117, (Ft. Sask).

On Monday, Sept. 18 the regular meeting of the Gibbons Community Centre was held in the hall. The hall board decided to put on the tea for the Artic Show on Saturday, Sept. 23.

Mr. Stirten was to get in touch with the floor finishers to resand and finish the hall floor. Also to purchase a new gas cook stove for the kitchen, as the present one is beyond repair. A motion was made to hold a beer dance and costume ball on October 27 in the hall.

On Thursday, Sept. 21 a meeting of the Local Association of Girl Guides, Rangers and Brownies was held in the Sunday School. Elected president for the coming year was Mrs. Wesner; treasurer, Mrs. Archer; secretary, Mrs. Visscher; guide leaders, Shirley Maseur and Avis Hood. Rangers Mrs. Rurak; Brownies: Mrs. Steinwand, and Mrs. Ada McLean. Registrations for the Guides, Brownies and Rangers will be announced at a later date at school.

Anyone interested in being a Cub leader for the coming year please phone or contact Mrs. Karen Williamson, (799-5746). Mrs. Katie Mabbutt is retiring this year so we need at least two leaders.

GIBBONS CIRCLE

The Gibbons Sunday School Circle are holding a Flea Market, November 11 at 12 noon in the Sunday School Building. Tea will be served.

A shower was held for Cindy Allison in the Sunday School Building, Sept. 20. A large turn-out joined us in wishing Cindy every happiness in her forthcoming marriage.

Members will note that as our next regular meeting would be Thanksgiving day, this has been changed to October 16 at the home of Mrs. Fraser.

Japan Exports important to farmers

By Wallace Klatt,
District Agriculturist

The following information was released through Agri-News and should be significant to our farmers. Quote "Increased production and marketing opportunities for Alberta farmers should be realized as a result of recent discussions the Alberta Economic Mission to Japan had with Japanese government and trade officials. The mission returned to Alberta last weekend after holding five days of talks in Tokyo.

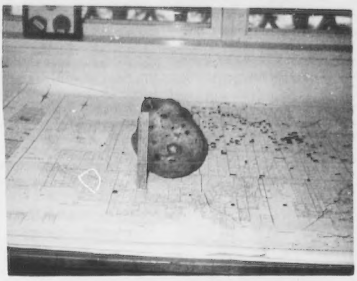

Dr. H. M. Horner, deputy premier and minister of agriculture, in assessing the mission, said that the agriculture talks were extremely timely because the Japanese were interested in investing in foreign countries to reduce their trade surplus as well as increasing imports into that country.

The Japanese eating habits are changing rapidly, noted Dr. Homer, and as a result the consumer is demanding high quality food products that Alberta producers can supply. The increased demand for beef, pork and honey, as an example, is about 20 per cent per year. Because of their limited production and technical resources, domestic production is unable to keep pace with the ever increasing demand. It is estimated that by 1975 Japan will increase its beef imports by 150,000 tons and its pork imports by 180,000 tons. If Alberta can supply only a small part of this market it would be sufficient to provide our farmers with significant expansion and assurance of income stability. The Japanese are also extremely concerned about pollution and are therefore interested in joint ventures in Alberta in the agriculture processing sector. Because of these factors, Dr. Horner feels that the agriculture industry must act quickly to take advantage of the situation.

Looking at specific products, Dr. Horner sees Alberta pork holding the greatest potential for increasing in the Japanese market. As a direct result of the Alberta economic mission, the Japanese trading companies were so interested in increasing the importation of pork, that several of the companies will be sending missions to Alberta during the next three months to have a first hand look at our agriculture industry.

Other products the Japanese were interested in included beef, malt, rapeseed oil, feed stuffs, mayonnaise and breeding stock. Joint ventures in the processing of some of these products also interested the trading companies.

An immediate follow-up to the mission by both government and agri-business is necessary to take advantage of this interest by Japanese trading companies. It is our intention, says Dr. Horner, to do everything possible to make sure Alberta agriculture products move onto this Japanese market. Agri-business representatives have been asked to report to their respective groups and participate in meetings with marketing board and commission members which are expected to be held in the immediate future."

Mr. Dez Sutton of the Alcomdale area is the owner of the Warba potato (above). This "spud" weighed 3 lbs. 5 ozs. and is 7 inches by 6 inches. Mr. Sutton indicated that he "dug-up" a great number of these large potatoes this fall.

Feed Grain Exchange

By W. O. Klatt,
District Agriculturist

Do you have feed grain to sell, or are you in the market for some feed grain? If so, contact the Alberta Grain Commission's new feed grain marketing information exchange.

The exchange for our district is Edmonton - phone 435-9841.

Treatment for Warbles a reality this fall

Treating for warbles will be a reality again this fall. The Sturgeon District is a warble-free area as authorized by the related bylaw.

The common treatments used are spraying with, or pouring on Co-Ral, Neguvon or Ruelene. The following comments are offered to assist producers as to what chemical to use.

CO-RAL (Coumaphos) - Use a 0,5 (zero point five) concentration and spray on. Mix two pounds of 25 per cent W. P. per 10 gallons of water and spray one gallon of this mixture per animal - ONCE. Treat from September to December 15. This is not the cut-off date for this treatment, but for best results early treatment is recommended. DO NOT apply on milking cows at any time, on animals to be slaughtered within seven days, on cows to freshen within 14 days, and on animals under three months of age. DO NOT treat sick animals. DO NOT use pyrethrins, allethrin or synergists. Animals should have access to feed and water before and after treatment.

For lice use a 0,25 per cent concentration (zero point 25) or one-half the concentration of that for warbles. Spray at one gallon per animal. Frequency is ONCE. Treat in October or November. DO NOT use on young calves nor on sick animals, and NOT within seven days of slaughter or 14 days before freshening. DO NOT use with pyrethrins allethrin or synergists. RUELENE 25E - Mix a concentration of 0,5 (zero point five) per cent with water, the rate being 64 fluid ounces of Ruelene 25E with 20 gallons of water. Spray or brush on and use one gallon of the mix per animal. Frequency is ONCE. DO NOT apply during December, January and February. DO NOT apply within seven days of slaughtering the beef animals or within three days of freshening of dairy cows

DO NOT apply to dairy cows in milk, calves under 300 lb. body weight, and sick, fatigued, or convalescing animals within 10 days of weaning, shipping, or exposure to infectious diseases. DO NOT treat sick animals, animals with lung damage or animals pasturing on rape or within seven days of removal from rape pasture. See instructions under pour-on treatment.

Observe animals closely following treatment for signs of irritation and if cattle react abnormally consult your veterinarian. If the treated animals have bloat, puncture the rumen to relieve the gas, but do not pass a hose through the esophagus. Observe the instructions given under Ruelene spray.

For lice use the mixture of 64 fluid ounces of Ruelene 25E (0,5 per cent) with 20 gallons of water. Spray this mixture on the animals at one gallon per head. The frequency is once.

DO NOT apply during December, January, and February unless animals have been treated systemically for warbles in the fall. DO NOT apply to dairy cows in milk, calves under 300 lb. body weight and sick, fatigued, or convalescing animals.

RUELENE 12R - The concentration is 12 per cent and is ready to use by pour-on. The frequency is once in 28 days and the dosage is 0,5 (zero point five) per cent per 100 pound body weight. DO NOT a) dilute, b) use in water spray, c) apply before branding (highly flammable). Follow all the instructions given under Ruelene 25E.

NEGUVON - Use a concentration of 8,0 (8 point zero) per cent. This mixture is ready to use. This is a pour-on chemical and the dosage is once at a rate of one-half ounce per 100 pounds. DO NOT apply during months of December, January or February. DO NOT treat dairy cows in milk, calves under three months, animals which are sick, convalescent or under stress. DO NOT use in conjunction with other organic phosphates. DO NOT treat within 21 days of slaughter. DO NOT apply to nonlactating dairy cows within seven days of freshening. If freshening occurs within seven days, do not use milk for human food within the seven days following treatment.

For lice use the same mixture of 8,0 (eight point zero) per cent and pour-on once at a rate of one-half ounce per 100 pounds. DO NOT apply during months of December, January or February. DO NOT treat dairy cows in milk, calves under three months, animals which are sick, convalescent or under stress. DO NOT use in conjunction with other organic phosphates. DO NOT treat within 21 days of slaughter. DO NOT apply to nonlactating dairy cows within seven days of freshening. If freshening occurs within seven days, do not use milk for human food within the seven days following treatment.

A pour-on application will control lice for a period of two weeks. REMEMBER:-- read the labels carefully before using and follow these label directions carefully when using.

Minimize winter kill to trees and shrubs

Re-issued by Wally Klatt,
District Agriculturist.

Water your ornamental trees and shrubs thoroughly between now and freeze-up to minimize winter killing, advises Herman Oosterhuis who is in charge of the Alberta department of agriculture's tree planting program.

He explains that watering at this time is more important than at any other time of the year, particularly in the case of pines, junipers and spruce. It is even more important if the tree or shrub was planted this year, or if it is growing in a dry location such as close to the house on the south or east side. Birch trees are another species that should be watered. Because of their shallow root system, they do not have access to deep subsoil moisture. Unless there has been a lot of rain most soil is very low in moisture at this time of year

When the soil moisture is frozen and the plant is relatively dormant, moisture cannot be supplied to the twigs, buds or needles to prevent them from drying out. A plentiful supply of moisture in the fall will enable the tree or shrub to withstand the drying force of winter winds and varying temperatures. Because ever greens retain their needles all winter, they are more vulnerable to winter desication, and its resultant burning of the foliage than trees which lose their leaves in the fall.

Mr. Oosterhuis says that a large percentage of ornamentals that winter killed last year, because the soil was very dry during the late summer and fall, could probably have been saved if they had been well watered before freeze-up. He recommends soaking each tree or shrub thoroughly about once a week between now and when the ground freezes.
